

UNLOADER OF CONTAINERS

Hidraulic unloader for containers

Very easy to work.
Lateral safety protections .
Hydraulic system .

Loudly and efficient.
High productivity.
Made in AISI-304 stainless steel.

TIPOS

			VB-750/800
Largo:			2.100 mm.
Ancho:			1.530 mm.
Alto:			1.600 mm.
Peso:			500 KG.
Consumo eléctrico:			3 KW.
Consumo aire:			
Presión aire comp.:			
Altura de basculacion			2.450mm.
Medidas box			1.200x1.000x800mm
